

BBA Burn Therapists' Interest Group

Welcome to the main page for the BBA Burn Therapists' Interest Group (BTIG). We are a group of professionals with an interest in physiotherapy and occupational therapy for individuals who have had a burn injury.

We usually meet twice a year, once at the Annual BBA Scientific Meeting, and then in the Autumn at our Annual BTIG Study Day & Meeting. The Study Days comprise of a short business meeting and then presentations of a variety of topics, audit and research, and sharing of best practice. Minutes of past meetings and a Discussion Forum can be found in the BTIG section of the Members Forum in the Members Area of the BBA website.

For details on the group and to enquire about membership, please contact:

Rachel Wiltshire, Lead Therapist, St Andrew's Centre for Burns & Plastic Surgery, Chelmsford
BBA Burn Therapists' Interest Group Chair
Email: Rachel.Wiltshire@meht.nhs.uk

Or

Vicky Dudman, Specialist Occupational Therapist, St Andrews Burns Service, Chelmsford
