

# **international Burn Injury Database**

**incorporating the UK**

**National Burn Injury Database  
( NBID )**

**Prevention Report**

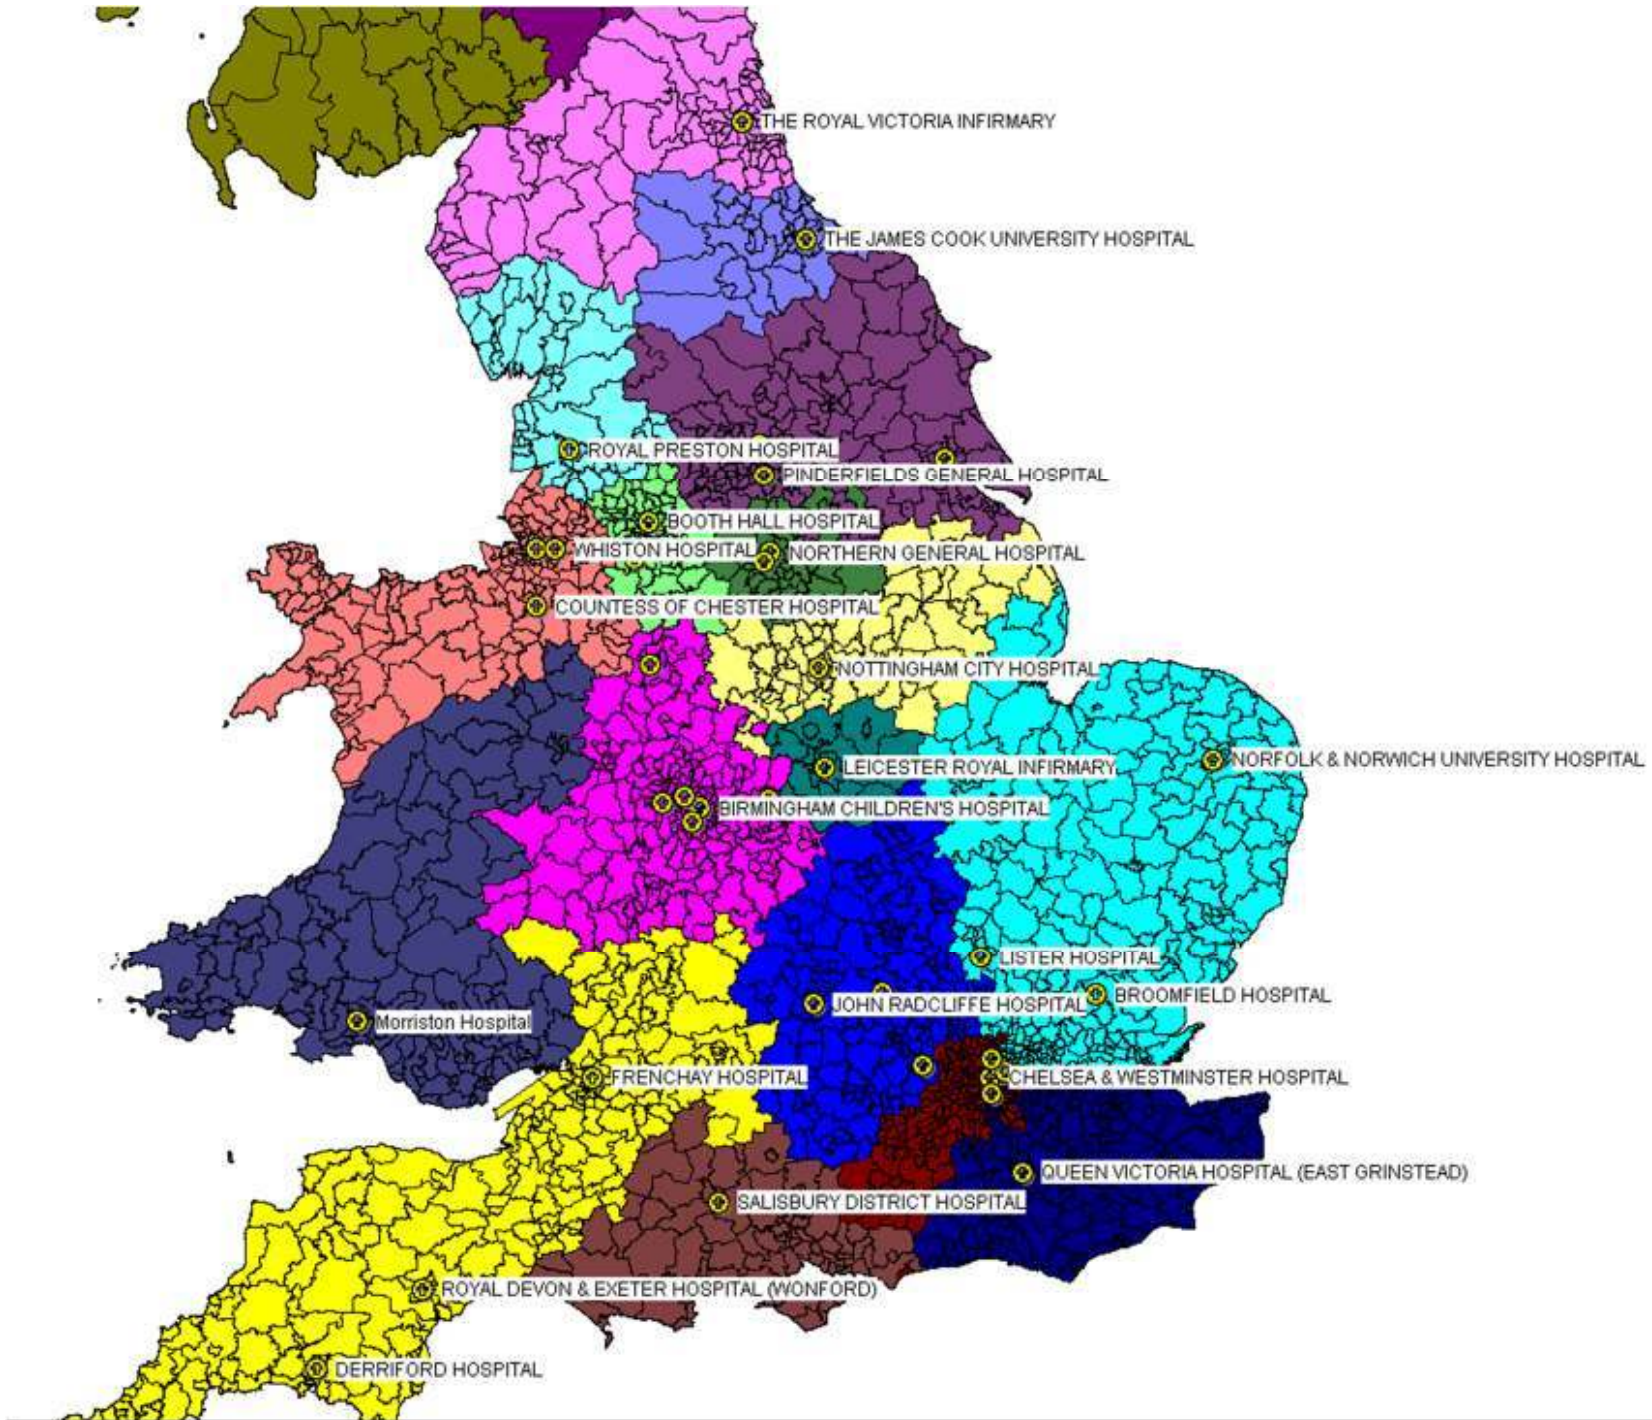

**covering**

**Elderly**

**2010 to 2014 inc**

Figure	P1		<b>Map of Burn Service catchment areas</b>	This covers only England and Wales at present. Designation of burn services will not conclude in the foreseeable future. After that each service will be a Burn Centre (BC), Burn Unit (BU) or Burn Facility (BF). There are likely to remain a number of Plastic Surgery Units (PSU) and District General Hospitals (DGH) offering some form of in-patient burn care.
Figure	P2	Elderly	<b>Where people get injured related to Region of England and Wales (E&amp;W)</b>	Summated figures from the database for 2003 to date for acute injury seen in burn services.
Figure	P3	Elderly	<b>Living Space where people get injured related to Region of E&amp;W</b>	
Figure	P4	Elderly	<b>What Activity people are involved in when they get injured in the Regions of E&amp;W</b>	
Figure	P5	Elderly	<b>Types of burn injury occurring</b>	
Figure	P6	Elderly	<b>Commonest Sources of injury in E&amp;W</b>	Broken down by Injury Severity Threshold levels: BC (Burn Centre-most severe), BU (Burn Unit-severe) and BF (Burn Facility-moderate)
Figure	P7	Elderly	<b>Average Cost for the Commonest Sources of injury in E&amp;W</b>	Broken down by Injury Severity Threshold levels: BC (Burn Centre-most severe), BU (Burn Unit-severe) and BF (Burn Facility-moderate). Based on the Manchester adult Patient Level Costing
Figure	P8	Elderly	<b>Injury numbers year on year by Age Group</b>	The rise in numbers reflects the increase in cases being reported to iBID, and not necessarily a rise in incidence.
Figure	P9	Elderly	<b>Injury numbers year on year by Region of E&amp;W</b>	
Figure	P10	Elderly	<b>Injury numbers year on year by Injury Type</b>	
Figure	P11	Elderly	<b>Injury numbers per month of the year by Injury Type</b>	
Figure	P12	Elderly	<b>Injury numbers by day of the week by Injury Type</b>	
Figure	P13	Elderly	<b>Injury numbers by time of the day by Injury Type</b>
