

THE SCAR FREE FOUNDATION STUDENT ELECTIVE AWARDS 2020

The Scar Free Foundation is offering £1,200 each, for research in the area of 'disfigurement and loss of visible function'.

The award provides students with the opportunity to broaden their perception and experience of research, during a 4-8 week supervised period, in one of four disciplines:

- Plastic and reconstructive surgery
- Hand surgery
- Craniofacial care and treatment
- Burn medicine and care

A number of awards are available for medical, nursing, psychology, paramedic and speech & language therapy students.

For more information visit scarfree.org.uk or email Ellie Carden, Research Officer, at Eleanor@scarfree.org.uk.

Closing date: 5pm on 31 January 2020

Elective research may be carried out in the UK, Ireland or Overseas. Awards offered in partnership with:

BAPRAS
British Association of Plastic
Reconstructive and Aesthetic Surgeons
