

THE SCAR FREE FOUNDATION

£1,200 ELECTIVE AWARDS 2019

The Scar Free Foundation is offering Student Elective Awards worth £1,200 each, for research in the area of “disfigurement and visible loss of function”.

The awards provide students with the opportunity to broaden their perception and experience of research, during a 6-8 week supervised period, in one of four disciplines:

- Plastic and reconstructive surgery
- Hand surgery
- Craniofacial care and treatment
- Burn medicine and care

A number of awards are available for medical, nursing, psychology, paramedic and speech & language therapy students.

For further information, an application pack and terms and conditions please visit

www.scarfree.org.uk

or contact Charlotte Coates, Head of Research Funds
charlotte@scarfree.org.uk

**Closing date:
5pm on 8th March 2019**

Elective research may be carried out in the UK, Ireland or Overseas. Awards are offered in partnership with:

BAPRAS

British Association of Plastic
Reconstructive and Aesthetic Surgeons

BSSH

The British Society for
Surgery of the Hand
