

# THE SCAR FREE FOUNDATION

MAKING A WORLD WITHOUT SCARS A REALITY

## £1,200 ELECTIVE AWARDS 2024

The Scar Free Foundation is offering Student Elective Awards worth £1,200 each, for research relevant to wound healing and scarring conditions.

The awards provide students with the opportunity to broaden their perception and experience of research, during a 4–8-week supervised period in one of the following disciplines:

- Plastic and reconstructive surgery
- Burn medicine and care
- Craniofacial care and treatment

In 2024, we are offering a total of 3 Elective Awards for projects taking place in the UK and Ireland only.

For further information and to view the application pack, please visit [scarfree.org.uk/research/funding/electives-2024](https://scarfree.org.uk/research/funding/electives-2024) or contact Charlotte Coates, Head of Research Funds [charlotte@scarfree.org.uk](mailto:charlotte@scarfree.org.uk).

**Closing Date:  
5pm on 8th March 2024**
