

## MANCHESTER BURNS COURSE

### Supporting Evidence for Application

As part of your supporting evidence for your application you need to undertake the following:

1. Submit a previous piece of burns related work if you have undertaken academic study (at the appropriate level) in the last 3 years, maximum 1000 words.
2. Submit a 1000 word submission on an aspect of burn care, which you will then utilise when completing the academic piece of work for the burns course. Therefore please choose an aspect of care that you are interested in as you will be expected to continue this throughout the unit. E.g. pain, infection, nutrition, wound care, psychology etc. You might want to discuss this with one of the Unit Leaders before identifying your topic.

### Criteria for Success

- Ensure work is submitted with appropriate evidence and referenced correctly utilising the Harvard Reference System.
- Discussion of the integration of knowledge into practice.
- Use of appropriate literature relevant to the area discussed
- Evidence of critical analysis and evaluation of the literature
- Adherence to word count (+/- 10%)
