The ECPB 2019 will be held in the Prague Crossroads, long-deconsecrated church, founded by St Wenceslas in 927 A.D.

The main inspiration for the creation of the Prague Crossroads came from the former Czech President – the dissident, writer and dramatist Václav Havel. His concept was an evocative venue for all kinds of meetings, where lectures, discussions, concerts, performances, exhibitions, meditation and happenings can take place in a spirit of respect for the multicultural diversity of the modern world. Its main objective is to respond to the now widely felt need for open-minded and creative dialogue among people of different faiths, convictions and professions about the present state of our civilisation, the dangers threatening it, and the hopes for the future.
