

In partnership with the **London and South East Burns Network**

Advanced Burn Care

2022 module dates:

- 27 April
- 11 May
- 25 May
- 8 June
- 22 June
- 6 July

Academic Year 2021-2022

An online standalone **Continuing Professional Development** module at **Levels 6 and 7** that has been designed for critical care nurses and allied healthcare professionals working in, or with an interest in, in the provision of holistic modern burn care.

The cost of the module is **£736 per student**.

*This innovative and exciting module offers the opportunity to develop knowledge and skills to support the delivery of patient care and improved outcomes for burn-injured patients. While experience in burn care is not mandatory it will allow students to gain more from the course. However, an enthusiasm for burns is highly recommended. **The University of East Anglia will assess applications to ensure that academic entry criteria are met.***
